### FRANK WHITE ARRESTED

Charged With Obtaining Money Under False Pretenses.

A man who gave his name as Frank White, and his home as Worcester, Mass., was arrested Tuesday morning by Chief Richmond on the charge of obtaining money under false pretenses. Monday night White sent to the home of Mary Doyle, Miss Doyle stated, and conveyed the message that the fine and costs of her brother James in the police court would amount to \$18. Again on Tuesday morning he sent to the house and obtained Miss Doyle's signature to a paper, which he said was necessary for her to sign, in order that Doyle's wages might be sent to him every week. He also asked for and obtained \$16.25, which he said was for his brother. Later in the day Miss Doyle became suspicious and the result was a conversation with the chief which led to the arrest of White.

### Runaway Causes Excitement.

### A PERSONAL LETTER.

Mrs. Greve Writes to Those Who Suffer from Eczema.

"I want others who suffer from skin troubles to know that there is no other remedy equal to Saxo Salve. I had a serious trouble with my hands. It was such a burning and itching and itched and smarted dreadfully. My doctor called it eczema. The first application of Saxo Salve relieved them and soon cured them entirely and for cracks in the fingers Saxo Salve does wonders."—Mrs. V. C. Greve, Birmingham.

Letters like the above are continually coming in proving that the penetrating antiseptic and healing ointment of Saxo Salve is remarkable in all kinds of eczema, salt-rheum, teller, barber's itch or any skin affection. Try Saxo Salve on your guarantee to give back your money if it does not help you. Broadway Pharmacy, G. G. Engler, Norwich, Conn.

The train which brought the mayor and many other residents of Willimantic and vicinity home was delayed close to an hour just above Hop River by a freight wreck on the New Haven road, in which the engine was derailed, but no great damage was done. **Two Norwich Men In Accident.**  
Two men from Norwich went through the borough Tuesday afternoon. They were driving a green horse just received from Sprague, and leading another one. The green one became frightened near the station and caused a general mixup, both men were thrown out. One was not hurt. The other caught his heel in some part of the rear of the wagon and was thrown over 100 yards, with his head bumping along the ground. He escaped, however, with slight injuries. Meanwhile both horses made a clean getaway. Both were caught, unharnessed and wagon fixed up at Bailey's stable. The men left for home, a little the worse for wear.
